PNEUMONIA FATAL TO CARL B. BUSSEY

The sad news of the death of Carl B. Bussey was received in Louisa on Wednesday morning. After an illness of only a few days he passed away at an early hour Wednesday at his home in Bowling Green, Ky. The cause of his death was pneumonia. He was in Louisa last week and moved his family from this place to Bowling Green where he held a position with an oil company. At the time he was here he had a deep cold and pneumonia developed soon afterwards.

On last Sunday a message came notifying relatives of his serious condition. His two brothers, Henry W. and Joe, left at once arriving in Bowling Green Monday.

He was 32 years of age and was the youngest of the three sons of Mr. F. R. Bussey, of Busseyville. He was one of the county's highly esteemed young men and best citizens.

Mr. Bussey is survived by his wife who was Miss Cordeia Shannon, and three children, a girl and two boys to whom he was very devoted. The sympathy of the entire community goes out to them in their bereavement.

Mr. Bussey was a member of the Masonic fraternity, having recently been initiated in Apperson lodge at this place.

At the time of going to press funeral arrangements had not been made as it is not known just when the body will reach here. The funeral and burial will probably be from the Bussey home at Busseyville.

Resolutions Adopted by Lawrence County Bar

The Lawrence County Bar adopted the following resolutions in memory of Uncle Tim Moore who was a member of this bar, and for more than eighty years a citizen of Lawrence county:

"Old age serene and bright,
And lovely as a lapland night,
Shall lead thee to thy grave."

—Wordsworth.

There is a beauty in age, the morning of life may be glowing with the expectations of youth; the noon may be fruitful in endeavors and works; but the evening of life is the time of calm repose and holy meditation.

When young and standing, when the glow of youthful hopes irradiate the future how natural to lay out brilliant plans to form ambitions, resolves; how easy it seems to achieve any wished for thing, wealth, fame or any temporal good. Experience soon shows us the futility of these hopes and plans—before many milestones are passed in the journey of life, we learn that God in his wisdom has so appointed trial and suffering that it matters little the external surroundings. To all it is full of work and anxiety and painful scenes, and that it is in struggling against these that the best development of power is acquired. As there is nothing unlovely in age, when once at its threshold, so death, when viewed in the right spirit, is found to be but the pleasant transition stage, to a more glorious and perfect life. We are all equal in death; the king and the peasant, the rich and the poor are all alike in this respect. Surely that which is the common lot of humanity must be for the common good. It is the entrance to the harbor and peaceful rest within.

Therefore we cannot say—
"That he is dead, he is just away!
With a cheery smile, and a wave of the hand,
He has wandered away into a better land."

"Think of him still as the same, I say,
He is not dead,—he is just away!"

M. E. CHURCH SOUTH.

A large crowd assembled last Saturday for the Sunday School hour. The auditorium of the church was comfortably filled. At the preaching service Rev. Bell, the pastor, selected for his text Eph. 2:8. This deep subject was ably discussed by the minister from all view points and space forbids giving an outline at this time of this great sermon by our earnest and faithful minister, but from the beginning to the end the sermon was logical, eloquent and spiritual and he has no admirer who preached a greater sermon. At the close of the sermon the sacrament was administered to a large number of communicants and throughout the service an atmosphere of spirituality pervaded the sanctuary. It was a beautiful scene to see so many people kneeling at the chancel who are striving to attain to a higher plane of Christian living.

To those who do not attend, any church, and to the stranger, you will find here a good place to spend an hour on Sunday.

Allied Armies Are Marching Into Germany to Enforce Indemnity

Troops of French, Belgians and British have marched into Germany and taken control of the richest coal properties and of important ports.

This is the result of Germany's defaulting about payment of the indemnity levied against her for war losses. The London conference Monday decided upon this course because Germany continued her evasive replies to demands.

No resistance was made by Germans to the advance of troops except an appeal to the League of Nations, of which Germany was not permitted to become a member. The Allies mean to enforce their demands.

W. T. CAIN ANNOUNCES.

To the Voters of Lawrence County: I am a candidate for Commonwealths attorney of the Thirty-second Judicial District, subject to the action of the Republican party at the coming primary election to be held on the 6th day of August, 1921.

Six years ago the 32nd Judicial district was composed of the counties of Carter, Morgan, Elliott and Lawrence. I was prevailed upon to make the race for Commonwealth's Attorney on the Republican ticket. The political majority at that time was largely against me, and my opponent at that time, the present incumbent, and recognized as one of the strongest prosecutors in the State, and a man of vast influence, and with the political majority of the district in his favor. It looked a hopeless undertaking, but at the request of the good republicans of all of the counties, I entered the race and made a hard fight in each of the counties of the district at a great personal sacrifice, and was defeated by a small majority; but although defeated, I believe I made a host of friends throughout the district, and they have asked me now to enter the race again, and say in me that it is my time, and I am going to obey the call.

The district is now composed of the counties of Carter, Elliott and Lawrence, and is safely Republican by several hundred. I believe I deserve first consideration at the hands of the Republican party and the electorate of the district. I have had 25 years of experience as a regular practitioner in the State and Federal courts, and believe I elected that I can measure up to the responsibilities of this high and important office. The office of Commonwealth's Attorney is one of vital importance and grave responsibilities, and the man who fills it should be honest, sober, fearless, and courageous. Should I be your choice and elected, I pledge you my honor to do my whole duty, without fear or favor.

W. T. CAIN.

Saturday, March 12 and will continue until SATURDAY March 19

THE SALE WHICH YOU HAVE BEEN WAITING FOR. \$25,000.00 WORTH OF HIGH GRADE MERCHANDISE FOR SPRING AND SUMMER WILL BE PLACED ON SALE SATURDAY, MARCH 12th, the Opening Day, UNTIL SATURDAY, MARCH 19th, the Closing Day.—Positively Not One Hour Later. Remember the prices which we are quoting are strictly PRE-WAR PRICES. Seems like a good many merchants cannot get away from under the high prices. It is very hard for a merchant to get from under the high prices when he has old time war prices on his shelves, but this is not the case with Jake—his stock was all bought at the very lowest present prices, therefore he can undersell any one by at least 50 per cent on the dollar. Of course while I lead others will follow as has been the case in the past, but Jake don't have to be led.

To make the story short this will surpass any of the sales I have ever had in all the days of my life. No sale that was ever conducted by any merchant in the entire State of Kentucky—no matter by what name, fire, water, smoke or bankrupt sale even backed up by the court, cannot equal this Spring Opening Sale.

Pay no attention to knockers—just follow the crowds and look for the signs bearing my name. You will sure be convinced when you come. It will pay you to come from a radius of one hundred miles, as a dollar will do the buying of two dollars elsewhere, and in some instances three dollars. Set a day aside and come to this greatest money saving sale in the history of the State of Kentucky.

Come the first day if possible or any other day during the sale. Of course the first choice is always the best. I have arranged for a large force of trained help and will try and wait on you with proper dispatch, and I myself will see that everyone is treated right. Thousands of people are expected. ARE YOU COMING?

To prove to you the bargains we will have, I want you to read my price list carefully and come and see for yourself, as you will find better values than you can possibly imagine. ENOUGH SAID.

BACK BAD TODAY?

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors. Ask your neighbor.

Joseph Payne, travelling salesman, Lock Ave., Louisa, says: "I am an old user of Doan's Kidney Pills and find they do just as they are represented to do. I use Doan's now and then when my kidneys get out of order or my back gets to hurting and they always cure me up in good shape. I have, at times, been down pretty bad with my back; this broke my rest at night and next morning I arose feeling more tired than before going to bed. I always resort to Doan's Kidney Pills when I feel any of these symptoms and they soon fix me up all right. I haven't been bothered with my kidneys in quite a long time, as I give Doan's Kidney Pills the credit for having cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Payne had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

UNUSUAL CONDITION

Texas Lady Suffered With Pulling and Aching Pains in Her Back, Which Cardui Relieved.

Houston, Texas.—Mrs. C. D. Cook, of 1312 Whitty Street, this city, recently said: "About four months after my marriage, I began suffering much pain, and knew that my condition was unusual, but couldn't just decide what was wrong. I had to go to bed... "All across my back and hips were pains, pulling and aching until I could hardly sit up. I stayed in bed a few days. My husband had heard of Cardui... so I told him he might get it. "After I had taken Cardui a few days, I was up. I took five bottles and haven't been in bed since for this trouble, for I have the least symptoms of this trouble I get Cardui and take it in wine. "I have a number of friends who have used Cardui, and they recommend it very highly. "The experience of this Texas lady is similar to that related by thousands of other women. "Cardui is purely vegetable, and mild and gentle in its action. Cardui may be the very medicine you need if suffering with womanly troubles. Take Cardui. NO-146

IN THE SPRING YOUR BLOOD NEEDS A TONIC

Winter Weakens Blood, Makes Faces Pale. Take Gude's Pepto-Mangan.

THE BEST KNOWN BLOOD TONIC. Drowsy Spring-Fever Feeling That Comes from Sluggish Blood Will Soon Leave You.

As all growing things on earth shoot into new life in Springtime, so do the billions of cells that make up each part of the body renew their vigor.

As you open the windows, breathe the Spring air, and let in the sunshine, the red corpuscles in your blood should carry more oxygen to the tiny cells.

The red corpuscles are tiny disc-shaped particles, swimming in enormous numbers in the blood. They carry oxygen to cells in all parts of the body, and they carry away worn-out waste matter. Sometimes, especially in the Spring, after the winter indoors and more or less sickness, the red corpuscles themselves need rebuilding. Gude's Pepto-Mangan contains just the ingredients to give them greater power to absorb oxygen and to distribute it throughout the body.

That is why it is such a good Spring tonic. It helps so much to bring back color to cheeks made pale and wan by the necessary indoor winter life. It adds to the number of red corpuscles. With fine Spring days and Gude's Pepto-Mangan you gain in vigor and attain good health.

Don't go around drowsy this Spring. Take that good tonic, Gude's Pepto-Mangan. You can get it in tablet form or in liquid form at your druggist's. Both forms have the same medicinal value. Insist upon genuine Gude's Pepto-Mangan. (adv)

Delightful Modes In

Spring Suits, Frocks and Wraps

In a host of interesting styles, fresh and unhandled and at such amazingly reasonable prices

SUITS

Swinging mandarin coats, semi-tailored styles, boxcoats, bloused coats or coats with cape backs—these are a few of the models from which to select a Spring Suit. Wide skirts—flared or circular—and trim narrow skirts also offer variety. No Spring wardrobe need be without a treasured Suit for the long season of wear ahead with prices so low.

\$29.50 to \$199.50

WRAPS

Was anything ever so deliciously feminine, graceful and pleasing as the Wrap? Wrapping its soft folds about one, for one does it with Wrap, Cape or Coat this season, one forgets that it has a practical aspect and simply remembers that it is smart and good-looking. Many are trimmed with the new taupe carnal, grey lynx and squirrel.

\$19.50 to \$149.50

FROCKS

With Frocks priced so reasonably, with styles so varied and charming, and with Spring, the season ideal for wearing Frocks, now here, there is no reason why any woman should forego the pleasure of the new Frocks. Navy twills, elaborate with embroidery and beading, vie in individuality with soft Canton crepes, satins, georgettes and tulleas in colors that are lovely for warm days.

\$12.50 to \$149.50

THERE MUST BE PLENTY OF NEW BLOUSES TO GO WITH A NEW SUIT.

Crisp tub Blouses with smart little plaitings and bindings in color, Peter Pan collars and cuffs, frilly jabots and other significant details are so inexpensively priced that no new Suit need be without a generous supply. For special luncheons or tea parties are delightfully giddy colored crepes and silks, lavishly decorated with embroidery, beading and appliques. No one will want to miss the very special values now being offered. From \$2.50 to \$20

SALE

REMEMBER!

The prices quoted in this circular are only good during this sale, therefore I advise you not to delay, but come during this sale as these prices will positively not last any longer only as stated above. So bear this in mind. A word to the wise is sufficient. In order to secure the choicest merchandise we advise you to come as early in the sale as possible. These are genuine bargains and will go like hot cakes.

NOTICE!

Remember that I always make my sales in the right time of the year when you need the goods. Most merchants are getting the highest prices for their goods in the season, then when you don't need the goods and their stocks are cut to pieces they put their odds and ends on sale. But Jake comes with a fresh, new, up-to-date stock and cuts the prices right and left, right in the main season when you need the goods.
